## GENERAL DESCRIPTION

Name of lead auditor: Milo Lu, APSCA membership number: CSCA21703478

Name of team auditor, observers, translators, trainees, advisors/consultants: Nil

Monitoring partner name: ALGI HOLDING COMPANY LLC, APSCA membership number: 11600033

Audit schedule details: The audit was planned for 1 auditor x 1 on-site day. The full audit (Semi-announced) was conducted on December 26, 2025.

Business partner information: TAIAN TENG YUE CLOTHING CO., LTD (Local Name: 泰安腾跃服饰有限公司, Uniform Code of Social Credit: 91370982MA7HPP0K3B) is located at 58 Meters North of the East Section of Mengguan Road, Shangzhuang Village, Dongdu Town, Xintai City, Taian City, Shandong Province, China. The factory was established on February 28, 2022 and was specialized in manufacturing of garments. Main production processes included cutting, sewing, ironing, inspecting and packing. No production process needed to be subcontracted.

Audited location information: The factory rented the buildings from the owner named Xintai City Tengfei Clothing and Accessories Factory. The factory did not provide kitchen, canteen, dormitory or transportation to workers. The construction areas rented by the factory were about 800 square meters. The factory provided lease agreement for review. According to on-site observation, interview and documents review, the floor details of all buildings were listed below:

The north 1-storey building was used as raw materials warehouse, packing materials warehouse, finished products warehouse, cutting workshop, sewing workshop, ironing & inspecting workshop and packing workshop.

The middle part of the south 1-storey building was used as office rooms by the factory and the other parts of this building were used by the owner as office rooms.

Operating shifts and hours: All employees work in one shift and the regular working hours of the employees are from 07:30 to 17:30 with lunch break from 11:30 to 13:30 (8 hours per day). Normal working days are from Monday to Friday. The workers worked max. 8 hours a day overtime on Saturdays voluntarily and worked max. 2 hours a day from 18:30 to 20:30 overtime voluntarily on weekdays if needed.

Time recording system: Face recognition attendance machine.

Salary payment details: All employees are paid by hourly rate. Wages are paid by bank transfer before the 25th date of each month for the preceding month. During the current audit, payroll records from December 2024 to November 2025 and attendance records from December 1, 2024 to December 25, 2025 were provided for review. The auditor randomly selected 6 samples from each of November 2025 (last paid month), June 2025 (random month) and December 2024 (random month) for verification.

Worker number information: On the audit day, there were total 25 employees, including 3 non-production employees and 22 production employees. Of the 22 production employees, 1 is male and 21 are females. No vulnerable workers (Domestic migrant worker) or any other special group workers (such as interns, apprentices, contractor workers) were noted during this audit.

Good practices: No Good practice was noted in the audit.

Worker organization details: No labor union was available. However, worker committee was established in the factory. One worker representative was elected by workers.

Circumstances: Mr. Zhang Jianfeng / General Manager and Ms. Yang Meimei / Worker representative participated in the opening & closing meeting. The opening meeting started at 07:30 of December 26, 2025 and the closing meeting ended at 17:30 of December 26, 2025. The auditor communicated the findings in detail to them and allowed them to raise questions and make any needed clarifications. Finally, they agreed on the findings and signed the on-site audit findings report.

The special circumstances can be classified as followed: No special circumstances were noted during this audit.

Summary of findings:

PA 1:

PA 1.1 The BSCI social management system still needed to be improved.

PA 1.4 The factory established procedure on workforce planning, but it was not running effectively, which led to excessive overtime hours.

PA 2:

PA 2.4 The workers and workers' representatives did not know what is BSCI clearly.

PA 5:

PA 5.5 Insufficient coverage of social insurances.

PA 6:

PA 6.2 Monthly overtime hours exceeded 36 hours.

PA 7:

PA 7.1 Non-compliances with Health & Safety local law & regulations and the materials were stored against the walls.

PA 7.13 Electrical safety system was inadequate.

PA 7.17 Machine safety system was inadequate.

Living wage calculation: The local legal minimum wage standard has been raised from CNY 2010 per month equivalent to CNY 11.55 per hour to CNY 2210 per month equivalent to CNY 12.70 per hour since October 1, 2025.

#Living Wage: [The audited factory was located in Xintai City, Taian City, which cannot be found on the GLWC website. So the auditor used the basic living wage CNY 2844.07, which was manually collected and calculated by the auditor through Anker's methodology. The Living wage calculation technique used by the auditor is to be inquired the resident consumption parameters published on the local government's public website and yearbook. Afterwards, there are calculated the relevant data of local living wage according to the proportion of Anker methodology of the key parameters. Relevant data comes from the website or yearbook data published by the local government. BLW calculation manually collected by the auditor is uploaded as part of the report attachments.]

Precautions taken about #COVID-19 in the facility: Not applicable in China.

Remark:

1. The government waiver, agency labor contract and collective bargaining agreement were not available for the factory on the audit day, which made those documents not applicable.
2. Some uploaded attachments (such as wage records and time records) involve employees' personal information, which is protected. This is to comply with the requirements of the Personal Information Protection Law of the People's Republic of China and GDPR.
3. The mentioned buildings which were used by the factory were rented from Xintai City Tengfei Clothing and Accessories Factory, so the building structure acceptance certificate & building fire service inspection certificate still showed the lessor's name. The factory has not changed the building structure or building fire risk rating, so these certificates are accepted by local law.

## FINDINGS

### PA1: Social Management System

Site: TAIAN TENG YUE CLOTHING CO., LTD | Site amfori ID: 156-058166-001

**Question:** 1.1 Is there satisfactory evidence that the auditee has set up an effective management system to implement the amfori BSCI Code of Conduct?

| ENGLISH                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | LOCAL LANGUAGE                                                                                                                                                                       |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Finding</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                      |
| Based on documents review, on-site observation, workers interview and management interview, it was found that the factory did not have an effective management system regarding Social Management Systems and Cascade Effect, Workers Involvement and Protection, Fair Remuneration, Decent Working Hours and Occupational Health & Safety. (For details, please refer to Performance Area 1, 2, 5, 6 and 7 respectively.) The management of the factory showed that part of the requirements were ignored due to they were busy with the production. This question is rated as partially because the factory still met most of the BSCI requirements. This is partially in compliance with the requirements of BSCI CoC. | 根据文件审核、现场审核、员工访谈以及管理层访谈发现，被审核方在社会管理体系和级联效应、工人参与和保护、公平报酬、体面劳动时间以及职业健康与安全等方面缺少有效的管理。（详细分别见第1、2、5、6和7部分。）被审核方管理层表示由于忙于生产，导致部分要求被忽视。该发现点被评定为局部符合是因为被审核方还是满足了BSCI大部分的要求。这局部符合BSCI CoC的要求。 |

**Question:** 1.4 Is there satisfactory evidence that the auditee's workforce capacity is properly organised to meet the expectations of the delivery order and/or contracts?

| ENGLISH                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | LOCAL LANGUAGE                                                                                                                                                                            |

| Based on documents review, on-site observation, workers interview and management interview, it was found that the factory had carried out the capacity assessment and was trying to reduce workers' overtime working hours, but monthly overtime working hours exceeding the requirements of national laws and regulations were detected in all three sampled months. For details, please refer to 6.2. This question was rated as partially because the factory had set up completed capacity assessment procedures, performed capacity assessment and made efforts to reduce workers' overtime working hours. This is partially in compliance with the requirements of PRC Labor Law, Article 41. | 根据文件审核、现场审核、员工访谈以及管理层访谈发现，被审核方已经进行了产能评估，并且在努力的减少员工的加班时间，但是抽样三个月份中都发现有员工月加班时间超过国家法规要求的现象。具体加班信息请参考6.2部分。该发现点被评定为局部符合是因为被审核方已经建立了完整的产能评估程序，进行了产能评估，并且努力的减少员工的加班时间。这局部符合《中华人民共和国劳动法》第41条的要求。 |

## PA 2: Workers Involvement and Protection

Site: TAIAN TENG YUE CLOTHING CO., LTD | Site amfori ID: 156-058166-001

**Question:** 2.4 Is there satisfactory evidence that the auditee builds sufficient competence among managers, workers and workers representatives to successfully embed responsible practices in the business operation?

### ENGLISH

### LOCAL LANGUAGE

#### Finding

Based on documents review, workers interview and management interview, it was found that although the factory had provided training on BSCI Code of Conduct for all of the workers and workers' representatives, but based on the interviews, it was still found that the workers and workers' representatives did not know what is BSCI clearly. The management of the factory indicated that this problem occurred due to the management negligence. This question was rated as partially because the factory had done some work for the implementation and enforcement of the BSCI Code of Conduct. This is partially in compliance with the requirements of BSCI CoC.

根据文件审核，员工访谈以及管理层访谈发现，尽管被审核方已给所有的员工和员工代表提供了BSCI行为守则的培训，但是通过访谈发现，被审核方的员工和员工代表还不是很了解BSCI。被审核方管理层表示由于管理上的疏忽，导致了该问题的发生。该发现点被评定为局部符合是因为被审核方还是为BSCI行为守则的贯彻和执行做了一些工作的。这局部符合BSCI CoC的要求。

## PA 5: Fair Remuneration

Site: TAIAN TENG YUE CLOTHING CO., LTD | Site amfori ID: 156-058166-001

**Question:** 5.5 Is there satisfactory evidence that the auditee provides workers with the social benefits that are legally granted without negative impact on their pay, level of seniority, position, or promotion prospects?

### ENGLISH

### LOCAL LANGUAGE

#### Finding

Based on documents review, workers interview and management interview, it was found that not all employees were provided with all kinds of social insurances. As per reviewing the participation status on line via the local official social insurance system and the insurance receipts of October 2025 & November 2025 & December 2025, it was noted that there were total 25 permanent employees (Retirees: 7, no temporary employee, no dispatch employee, no newly joined employee) in the factory, but only 2 permanent employees were provided with industrial injury, medical, unemployment, maternity and pension insurances and the percentage of the employees who were provided with these five kinds of social insurances

根据文件审核、员工访谈以及管理层访谈发现，被审核方提供的社保没有覆盖到所有员工。根据查看社保系统的在线台账以及2025年的10月、11月、12月的社保缴费发票发现，被审核方一共有25名正式员工(退休员工：7名、无临时员工、无派遣员工、无新进员工)，但仅为2名正式员工提供了工伤、医疗、失业、生育和养老保险，员工缴纳五险的比例为11.11%。另外，被审核方还为所有的正式员工提供了团体商业意外伤害险且该商业意外伤害险的有效期为2025年7月22日至2026年7月21日。这不符合《中华人民共和国劳动法》第72和73条的要求。  
备注：  
1、依据管理层和员工访谈确认，部分员工有新型农村合作养老保险，也有些员工不愿意买社保。  
2、审核期间，被审核方没有获得社保批文。

### Finding

was 11.11%. Besides, all permanent workers were also provided with group commercial injury insurance by the factory and the validity of the commercial injury insurance is from July 22, 2025 to July 21, 2026. This is not in compliance with the requirements of PRC Labor Law, Article 72 and 73.

Remark:

1. According to management and workers interviews, some workers had new rural cooperative pension insurance and some workers did not want to buy social insurances.
2. The factory did not obtain the social insurance waiver during the audit.

The management of the factory indicated that this problem occurred due to some workers had new rural cooperative pension insurance or did not want to buy social insurances. This question was rated as no because the factory did not provide any social insurance for most employees.

被审核方管理层表示由于有的员工有农保或者不愿意买社保，导致了该问题的发生。该发现点被评定为 不符合是因为被审核方没有为大多数的员工提供任何的社会保险。

## PA 6: Decent Working Hours

Site: TAIAN TENG YUE CLOTHING CO., LTD | Site amfori ID: 156-058166-001

**Question:** 6.2 CRUCIAL: Is there satisfactory evidence that the auditee request of overtime is in line with the requirements of the amfori BSCI Code of Conduct?

### ENGLISH

### LOCAL LANGUAGE

### Finding

Based on documents review, on-site observation, workers interview and management interview, it was found that as per the provided time records by the factory, the monthly overtime working hours of 6 out of total 6 sampled workers were 80 hours in November 2025 (Last paid month), of 6 out of total 6 sampled workers were 72 hours in June 2025 (Random month) and of 6 out of total 6 sampled workers were 76 hours in December 2024 (Random month). All sampled workers' monthly overtime working hours of December 2024 & June 2025 & November 2025 exceeded the legal limit of 36 hours per month. The workers' overtime work was voluntary. The management of the factory indicated that the overtime working hours exceeded the legal requirements due to the urgent delivery time. This question was rated as no because all sampled workers' monthly overtime working hours exceeding the requirements of national laws and

根据文件审核、现场审核、员工访谈以及管理层访谈发现，根据被审核方提供的考勤记录发现，2025年11月份（最后发薪月份）所有抽样6名员工中6名的月加班时间为80小时，2025年6月份（随机月份）所有抽样6名员工中6名的月加班时间为72小时，2024年12月份（随机月份）所有抽样6名员工中6名的月加班时间为76小时。所有抽样员工在2024年的12月以及2025年的6月和11月的月加班时间均超过了法律规定的每月加班不超过36小时的要求。员工均为自愿加班。被审核方管理层表示由于交期紧张，导致了加班时间超过法规的要求。该发现点被评定为不符合是因为所有抽样员工的月加班时间均超过了法规的要求。这不符合《中华人民共和国劳动法》第41条的要求。

## Finding

regulations. This is not in compliance with the requirements of PRC Labor Law, Article 41.

## PA 7: Occupational Health and Safety

Site: TAIAN TENG YUE CLOTHING CO., LTD | Site amfori ID: 156-058166-001

**Question:** 7.1 Is there satisfactory evidence that the auditee observes occupational health and safety regulations applicable for its activities?

### ENGLISH

### LOCAL LANGUAGE

## Finding

Based on on-site observation, documents review, workers interview and management interview, it was found that:

1. During the audit, although the factory had established the occupational health & safety regulations and procedures and provided all the updated laws and regulations list which applied to the factory on H&S, but the actual practice throughout the factory was not fully in compliance with requirements of local law in the parts of H&S, such as materials' storage, electrical safety and machine safety. This is partially in compliance with requirements of relevant local health and safety laws. (Please refer to question points PA7.1, PA7.13, PA7.17 for specific health and safety regulations.)
2. Besides, during the audit, it was found that about 20% observed raw materials & finished products & packing materials in the warehouses were stored against the walls. This is partially in compliance with requirements of Rules Concerning Warehouse Safety and Fire Control, Article 18.  
The management of the factory showed that due to the management negligence, the supervision is not in place and the inspection is not careful, leading to the neglect of part of the requirements. This question was rated as partially because the factory still met most of the requirements of laws and regulations on health and safety.

根据现场审核、文件审核、员工访谈以及管理层访谈发现：

- 1、审核发现，虽然被审核方建立了职业健康安全方面的程序和相关制度，而且提供了完整的更新的健康安全方面的法律法规清单，但是被审核方的实际做法并不完全符合当地法律对健康安全部分的要求，例如货物的存储，电气安全以及机器安全。这局部符合当地相关健康安全方面法规的要求。（具体的健康安全法规条款请参阅PA7.1, PA7.13, PA7.17）
- 2、另外，审核发现，被审核方仓库中约20%的原材料、成品和包装材料靠墙摆放。这局部符合《仓库防火安全管理规划》第18条的要求。  
被审核方管理层表示由于管理上的疏忽、监督的不到位以及检查的不仔细，导致部分要求被忽视。该发现点被评定为部分符合是因为被审核方还是满足了法律法规对健康与安全大部分的要求。

**Question:** 7.13 Is there satisfactory evidence that the auditee makes sure a competent person periodically checks the electrical installations and equipment?
